NSD PARENTAGE CERTIFICATE

Rose's 20/20 Daisy

DOB: 01/16/2017

SEX: F

PIN: NSD20-3-194

DNA #: DN0170218

Breed: LMC

This Certificate displays a genetic comparison of the canines listed which resulted in a non-certified determination from BioPet Laboratories due to their strict accreditation guidelines. However, National Sporting Dog, Inc. strongly believes that there is enough probability in this comparison to register the dog as being the offspring of the listed sire and dam.

Is accepted and registered as the offspring of:

SIRE:

Looney's 20/20 Tank

PIN: NSD17-1-426

DNA #: DN0151818

This certificate does not certify or give definitive proof of parentage that is guaranteed by BioPet Laboratories. The certificate shows that NSD has accepted this comparison for registration purposes only and has registered the dog with the listed sire and dam.

DAM:

Burlap's Red Ruby

PIN: NSD20-3-195

DNA #: DN0170216
